

WHY STUDY AT TSHWANE COLLEGE

Professional Staff

We have highly qualified, competent and friendly academic and support staff. These include the Principal, Deputy Principal, School Management team, Heads of Departments, Activities/Athletics Director, a Guidance Counselor and Teachers. Many of our professional staff hold advanced degrees beyond the Bachelor Degree level.

Cutting-Edge Techno-Science

On completion of their studies, Tshwane College students leave fully prepared for the rigors of the finest Medical, Engineering, Information Technology, Business and Management Programmes in the best universities both in South Africa and abroad. The College equips its students with strong science, technology, business and management perspectives based on real world needs.

Our Goal: Academic Excellence

Education at Tshwane College is focused on the development of the total learner... preparing them for life, university and a commitment to social justice and a concern for the world at large. We prepare our students for a mission that extends beyond mere education into the arena of both public and private service.

CODE OF CONDUCT

Any student admitted at Tshwane College is expected to acquaint him/herself with our code of conduct. We also expect parents to play an active role in our students' discipline. We do not tolerate any deviation from the rules of the college.

Take A Step Beyond Excellence

Tshwane College

Primary & Secondary Schools

We Build For The Future

Dept of Education Reg Numbers: GDE 400690 & 400386

VISION

To prepare future leaders who espouse the African tradition of honour and integrity for both the public and private sectors.

MISSION

To provide a secure environment in which all students can study and achieve their academic goals.

BACKGROUND

The foundation of our school is excellent in preparing students to be productive responsible citizens. This is achieved by providing quality education in cooperation with family and community. The school espouses the values of a solid work ethic, good citizenship and a sense of morality that supports the community's values. Students are encouraged to develop a sense of responsibility that enables them to be both self-disciplined and self-reliant. The instruction offered to students provides them with the skills necessary to compete and achieve success in the academic and non-academic fields.
